About us

Our company (MARCO GIUSEPPE CAVALLARI) is a real estate company present in the area since 2011. Founded as an agency specializing in leasing, over the years we have also gained strong experience in the world of real estate sales. Since 2017 we have been linked to the Grimaldi family brand - L'immobiliare.com - synonymous with quality and reliability. Ethics, transparency, honesty and competence are the concrete values on which our structure is based.

We carefully manage every real estate, financial, legal, technical, construction and notarial need, making use where necessary of professionals with whom we have had important and mutual collaborations for years. Regularly registered in the register of real estate agents and in the FIMAA (Federation of Italian Business Agents Mediators), constantly engaged in training, we offer our customers a complete and accurate service, making the buying, selling and renting of properties simple. Every single property is highly qualified, complete with documentation and we follow the customer in all phases of the negotiation up to the deed with maximum sharing and transparency.
