Price on Application
Ref. Strepitoso ultimo piano vista mare in centro a Trieste

260 sq.m. | Bathrooms: 2 | Bedrooms: 5 | Rooms: 6

In the heart of the city center, in one of Trieste's most beautiful and well-maintained historic buildings, we offer for sale a splendid, spacious apartment (260 square meters) on the sixth and top floor, equipped with an elevator, boasting stunning sunny exposure. The apartment has not yet been renovated, so there are two options: to purchase it as is, at a price of €3,270 per square meter, or to purchase it already renovated, with a price to be negotiated based on the type of work required. The property is ideal for those who appreciate luxury and, above all, a central location, but it also offers excellent investment potential, as it could be converted into two or three smaller apartments for rental. The property currently comprises six bedrooms, two bathrooms, a kitchen, a hallway, and a charming veranda. A balcony along the front of the apartment offers a beautiful sea view. A parking space is also available in the area.
