Ref. 21061

500 sq.m. | Bathrooms: 3 | Bedrooms: 6 | Rooms: 10

Good deal!!! Between Milan and Como and the Swiss border served by the motorway with exit at the Lomazzo toll booth, we offer for sale a period villa of approx. 500 m2 on two levels with a private park of approx. 5,000 m2. expertly planted with tall trees and a flat garden area where the swimming pool can be positioned with an existing bar area attached.

The villa, to be renovated, retains all the construction characteristics of the period of construction, therefore the splendid stuccoes, the high-quality coffered ceilings, the frescoes with the classic designs that cheer up the rooms and also the floors take us back in time to relive ancient glories.

The villa, simple in its identification, is well suited, given its strategic position and its discreet nature and away from extraneous eyes, to be a Charming Residence or even a Location for Restaurants or Inns, an ideal place for organizing events and small events, so as a representative office for companies as well as a cosmetic surgery clinic, physiotherapy rehabilitation centre, dental center or private club.

The asking price of certain interest and realization is only €. 500,000.00 much lower than the estimated value.
