Historic Center - Verona - For Sale - 3-bedroom apartment - Renovated - Very Central

Charming and private, yet central and convenient.

Just steps from Porta Leoni, Juliet's House, and Piazza Erbe, in the heart of romantic Verona, we offer a one-of-a-kind apartment.

Located in a historic building with only 3 units, we are on the second floor.

Upon entering, we find an imposing hall, where wood is the protagonist for both the floors and the ceilings.

The kitchen is partially separated from the living area.

The sleeping area consists of three bedrooms, one of which has a walk-in closet.

The central section of the apartment features two bathrooms. It also includes a shared attic space, ideal for storing items not used continuously.

On the ground floor, within the property, there is the possibility of purchasing a garage at a separate price.

This property is dedicated to those who want to experience the historic center without giving up comforts,

or to those looking for a home with timeless charm.

This property can also be easily divided into two separate units, a two-room apartment and a three-room apartment, as shown in the floor plan shown in the images.
