Large and bright apartment to be renovated

We offer for sale in Caserta, on Via Vincenzo Gallicola, in the immediate vicinity of the main services, a spacious apartment of approximately 185 square meters located on the first floor of a residential building.

The property, particularly bright thanks to its triple exposure (north, south, west), consists of a comfortable entrance hall, a generously sized double living room, an eat-in kitchen, three spacious bedrooms and two bathrooms.

The property includes three balconies that guarantee excellent ventilation and pleasant views.

The apartment is in need of renovation, offering the opportunity to customize the spaces according to your needs and tastes.

There is also the possibility of using an uncovered parking space within the condominium area.

Ideal solution for families or for those looking for large spaces in a well-served area.
