Single garage for sale - Ponte Crencano - Verona In the Ponte Crencano area, we offer for sale a single-car garage, ideal not only as a convenient place to park your car, but also as a storage space. The garage offers ample maneuvering space, making it easy to get in and out. A particularly interesting feature is the presence of the above-ground overhead door, which allows the garage to benefit from natural light during the day, making it brighter and more pleasant to use than traditional underground garages. The solution therefore lends itself to a variety of needs: from simple car storage to the possibility of having additional space for bicycles, motorcycles, equipment, materials, or everyday objects. A practical and versatile solution, in a convenient and well-served residential area, ideal for those seeking private space for flexible use. Measures: Span 1,920 m - Width 2,630 m Height 2,450 m - Length 4.6 m Plenty of room for maneuver
